Hi John,

We have until Wed the 24th. Here is a draft email. If you could send out this out to Jamie, Bud, Ray, and Karen that would be great! Thanks!

As part of the National Monument review public comments the BLM is being asked to set up a 6-8 person review team by COB Wednesday the 24th. We have one person from WO 200 and WO 400 and need four additional people.

They are looking for people with a general awareness of public land management issues who are also fast readers and can make quick decisions. They do not need to be subject matter experts on monuments although that does not disqualify them from this phase of the review. Team members can be remote and will work from their desks or telework, with a username and password to access the system. The initial focus will be on Bears Ears. It is anticipated the workload would be 2-3 days per week for 3-5 weeks, but could vary if the correspondence review process goes slower than anticipated, or if a substantially larger number of comments are received than anticipated.

If you have someone on your staff that could help with this team please email their contact information to Nikki Moore, nmoore@blm.gov, before COB on Wednesday the 24th.
